

## Ron Hay

With over twenty years' experience as both in-house and external counsel, Ron provides strategic and practical advice to Canadian and international clients on all aspects of the media, entertainment and communications industries, focusing on film and television rights acquisition, production, co-production structures and distribution/exploitation opportunities.

Ron founded Stohn Hay LLP in 2003 with Stephen Stohn and David Dembroski, and in 2005 they welcomed Diana Cafazzo and Sandra Richmond to form Stohn Hay Cafazzo Dembroski Richmond LLP.

Ron began his law career as an associate at the law firm McMillan Binch (now McMillan), and then left to join the ranks of in-house counsel, first at Alliance Atlantis Communications Inc. (where he was Vice-President, Business & Legal Affairs – Television), then at Balmur Entertainment Ltd. (where he was Vice-President, Business & Legal Affairs). He returned to private practice in 2001.

Law is Ron's second profession. Prior to attending law school he worked as a professional musician for six years; he played viola with the Toronto Symphony Orchestra, the Canadian Opera Company Orchestra and the Hamilton Philharmonic, and was also active as a recording studio and freelance musician. While at law school he regularly played in the orchestras of both *Les Misérables* and *Phantom of the Opera*, often with a law text open at his feet. Memorable performances include several concerts with the TSO at Carnegie Hall, playing with the Three Tenors at Maple Leaf Gardens, participating in the opening week of Roy Thomson Hall, and participating in the opening ceremonies of the SkyDome (now Rogers Centre).

Ron brings to his practice a passion for the arts and the creative process, and understands the importance of establishing professional relationships with those who share and embrace that passion in the creative industries.
